

ANDREW RUSSELL

Birmingham, Alabama | (205) 729-1380 | andrew@andrewrussell.us

SUMMARY

Reliable, hardworking professional with 2+ years of hands-on experience in fast-paced, high-pressure environments. Known for strong problem-solving, quick learning, and dependable teamwork. Comfortable working with both people and technical systems, and committed to delivering quality results on time.

KEY STRENGTHS

- Dependable and punctual, with a strong work ethic and follow-through
- Calm and effective under pressure during live events and tight deadlines
- Quick to learn new tools, systems, and processes
- Team-oriented, with experience coordinating people to get a job done
- Detail-focused and committed to high-quality results

EXPERIENCE

Audio/Video Production Technician

Live Events & Church Production | Birmingham, Alabama | 2022 – Present

- Set up and operated professional video and audio equipment for live events, ensuring smooth execution week after week
- Coordinated with team members to manage multi-person productions, communicating clearly and keeping everyone on track
- Troubleshoot equipment and technical issues quickly, often resolving problems in real time under pressure
- Maintained and organized equipment, taking responsibility for setup, operation, and teardown

Freelance Videographer & Editor

Self-Employed | Birmingham, Alabama | 2022 – Present

- Worked directly with clients to plan, film, and deliver video projects on schedule
- Managed projects from start to finish, balancing multiple priorities and deadlines
- Built a reputation for reliability, professionalism, and quality work

SKILLS

- Strong communication and customer-facing interaction
- Problem-solving and hands-on technical troubleshooting
- Time management and ability to juggle multiple tasks
- Professional video, audio, and broadcast equipment operation
- Software: DaVinci Resolve, ProPresenter, Adobe Creative Suite
